

Neighborhood Watch

We are organizing a Panther Creek Neighborhood Watch. We have been in touch with the SPD and are moving forward with this important project. For starters, we need resident volunteers to serve as block captains and or co-block captains for each street, ideally 2 people per street depending on the number of houses per street.

If we do not get volunteers for each street, those streets will not be a part of the Neighborhood Watch until a volunteer comes forward.

In order to make our NW more effective, we can look for ways to make our neighborhood "Less Crime" friendly by making some neighborhood self-improvements.

We will have an organizational meeting in the very near future. Additional information will be coming your way in the form of a flyer.

Listed below are the volunteers that have offered their services as Co-captains:

- Bear's Paw, Bear's Paw Ct. Quail Chase to Blackwolf - Pat Rich & Robin Brinkmeier
- Panther Creek Dr. - Mary Hartlaub & Brenda Katzenstein (Mike & Molly Rikas are backups)
- Dogwood Hills, Red Hawk & Blackwolf to Panther Creek Dr. - Vicky Brown & Cindy Quick
- Wildcat Pt. & Wildcat Run to Panther Creek Dr. - Teresa Barrows-Kaiser
- Quail Chase Ct., Quail Chase to Blackwolf - (maybe Jason "JB" Brewer)
- Turtle Bay - Bob Mosley
